The 67 cm stick is Blue/Lime and the 72 cm stick is Lime/Magenta.	
1101172101L,R	2012 Salming Aero KZ Booster, 101 cm	\$169.99
	Features Salming's unique KickZone and Booster technology. KickZone was developed to provide an increased whip-effect so that the shaft when bent is kicking back faster, thereby hitting the ball with greater power. The Booster technology is a reinforcement of the shaft area above the face off line. It is designed to provide this area with increased stiffness in order to further lower the shaft flex point. This makes the KickZone area work harder thus increasing the whip effect resulting in even more powerful shots. Equipped with the aero blade made in Performance Lite material.
